## Paths in our School

Parents...did you know that complimenting your child can be a way to encourage positive behavior? If you compliment your child when they do something that you would like to see them do often, it increases the chances of your child repeating that positive behavior in the future. Think about it! Your boss compliments you on a good job... you feel great about yourself. You want that feeling to continue, so you keep working hard to do a good job AND get more compliments. It works the same way for your child. Compliments help encourage positive behavior in your child.

Parents can now send funds for  
their child's goody cart via email

Put your child's name in the  
message portion and use the  
password snacks.

Please be reminded to have your  
child dressed appropriately for  
school. Students go outside for  
recess when the weather permits.

At Natoaganeg School  
we live by the Healthy  
Bodies, Healthy Minds,  
Healthy Spirits  
philosophy and we do  
our best to impart this  
message to the students.  
One way we do this is by  
providing the children  
with a healthy and  
nutritious breakfast and  
lunch each day.

Children should come  
prepared with a healthy  
snack that is low in sugar  
and sodium. Some  
examples of an  
appropriate snack are:  
applesauce, fruits,  
veggies, cereal bar,  
granola, yogurt, cheese,  
milk (white or  
chocolate), crackers.

In recognition of this month's perfect attendance.  
We would like to express THANK YOU to all parents for  
recognizing the importance of our attendance policy.  
Congratulations to our monthly perfect attendance winners
